

TEN THINGS YOU CAN DO NOW TO HELP STOP THE CUTS TO THE CSU

Please complete this list to build a strong
Alliance for the CSU

- 1. FILL OUT THE CARD:** Turn in your Alliance card TODAY!
- 2. POST A SIGN:** Post an Alliance window sign in a visible location (office door, classroom window, bulletin board on campus or in town).
- 3. WEAR YOUR “CSU IS THE SOLUTION” BUTTON:** Wear everywhere, and always carry extra buttons to give away. (Perhaps wear 2 buttons.) They are a good conversation piece and help to spread the message.
- 4. TELL CO-WORKERS:** Recruit three colleagues to visit the Alliance website and complete a support card. www.alliancefortheesu.org
- 5. ATTEND AN EVENT:** Attend an Alliance event on campus. There will be events all over the state to show your support — and bring a friend.
- 6. TELL FRIENDS:** Recruit ten friends and/or family members to visit the Alliance website and complete a support card
- 7. CONTACT A GROUP:** Help the Alliance get invitations to speak at clubs, organizations or religious groups on campus and in the community. You can arrange an invitation for someone else to speak, or you can be the speaker. The Alliance can provide talking points and a partner to attend with you. Send the name of the group you will contact to [<info@alliancefortheesu.org>](mailto:info@alliancefortheesu.org)
- 8. WRITE THE EDITOR:** Write a letter to the editor and send it to your local or campus newspaper. Then email it to [<info@alliancefortheesu.org>](mailto:info@alliancefortheesu.org) to be posted on the Alliance website.
- 9. GO ONLINE:** Visit the Alliance website at www.alliancefortheesu.org to learn more ways you can help stop the budget cuts.
- 10. BE READY!** The Alliance will need phone calls and letters to your elected officials on short notice. Success will depend on a quick response from large numbers of people.
